RETRACTABLE SIDEWALLS & SCREENS

Freedom

The add-on that makes an outdoor space usable in more weather.

MANUFACTURED IN MILLDALE, CONNECTICUT

THE CASE

Why it sells.

Freedom is retractable screens and sidewalls — sun, wind, insects, glare, and privacy, on demand. It is the attachment sale on almost every patio and porch job, and it answers the objection a shade-only solution leaves open: low evening sun, insects, and wind.

Three guide systems	Cable Guide, Zipper Guide, and Free Guide. One product line that adapts to porches, balconies, and commercial openings instead of forcing the structure to suit the screen.
The attachment sale	Quote it alongside every retractable. It raises average ticket without a second site visit, a second crew, or a second manufacturer relationship.
Solves the real complaint	Shade fixes midday. Screens fix insects, low sun, wind, and the neighbors seeing in — which is what actually keeps an outdoor space from being used.

Best for.

- Porches and three-season rooms
- Balconies and breezeways
- Restaurant patios needing wind control
- Any job that already has an awning

FABRIC

This line publishes no mill list. Confirm the current range against your fabric books rather than against another line in the catalogue.

PRICING, TERMS AND WARRANTY

Wholesale pricing, minimum orders, lead times and the complete warranty terms are set out as part of the dealer package rather than published. They are covered directly on the first call — ask and you get the answer, not a sales sequence.

DEALER PROGRAM

Carry the line.

SolarShield manufactures in Milldale, Connecticut and sells wholesale through authorized dealers. We take orders from dealers rather than from homeowners — there is no consumer price list, and homeowner enquiries that reach us are referred out to a dealer. Wholesale pricing, lead times, territory and the full warranty terms are covered on the first call rather than after a sales sequence.
