FULL-CASSETTE RETRACTABLE AWNING

SOLARSHIELD · WHOLESALE TO AUTHORIZED DEALERS

THE CASE

Why it sells.

Salute is the full-cassette retractable: when it closes, the housing encloses the fabric and the working components completely. It is the product to lead with when a customer cares how the awning looks retracted, and the one that holds up best where the awning stays up year-round.

Closed means closed	The full cassette encloses the fabric and components when retracted. Less exposure to weather and grit between uses, and a clean architectural line on the wall rather than a visible roll.
Three mounting paths	Wall, ceiling, or roof mount. That flexibility wins jobs where the fascia, soffit, or roof pitch would rule out a wall-only product.
The upgrade sale	Salute is the natural step up from Legend in the same conversation. Same manufacturer, same fabric books, higher ticket — with a difference the customer can see standing in their own yard.

PRICING, TERMS AND WARRANTY

Wholesale pricing, minimum orders, lead times and the complete warranty terms are set out as part of the dealer package rather than published. They are covered directly on the first call — ask and you get the answer, not a sales sequence.
